TITLE 16. ECONOMIC REGULATION

PART 4. TEXAS DEPARTMENT OF LICENSING AND REGULATION

CHAPTER 83. BARBERS AND COSMETOLOGISTS

§83.70. Responsibilities of Individual Practitioners.

(a) For purposes of this section, "licensed facility" means the premises of an establishment or school.

(b) A practitioner is restricted to working in a licensed facility but may perform a service within the scope of the license, at a location other than a licensed facility for a customer who:

(1) is unable to receive the services at a licensed facility because of illness or physical or mental incapacitation; or

(2) will receive the services in preparation for and at the location of a special event; and

(3) makes the appointment for services through a licensed facility.

(c) A practitioner performing digitally prearranged remote services may perform these services at a location other than a licensed facility if the appointment is made through a remote service business's digital network.

(d) Specialty practitioners may only perform the practice authorized by the specialty license.

(e) All current licenses must either be posted near the licensee's work station in the public view or be made available at the establishment reception desk.

(f) A current photograph of the licensee at least 1 1/2 inches by 1 1/2 inches must be attached to the front of the license or permit, or digitally displayed along with an image of the license or permit. The photograph may not obscure any information on the license or permit.

(g) Practitioners must notify the department in writing of any name change within thirty (30) days of the change.

(h) Practitioners must notify the department within thirty (30) days following any change of address. The department may send all notices on other information required by applicable laws and rules to any licensee's last known mailing address on file with the department.

(i) Practitioners must wear clean top and bottom outer garments and footwear while performing services authorized under the Act. Outer garments include tee shirts, blouses, sweaters, dresses, smocks, pants, jeans, shorts, and other similar clothing and do not include lingerie.

(j) Practitioners are responsible for compliance with the health and safety standards of this chapter.
