Exam Eligibilities

Written Eligibility Process

- Students enrolled in the **Class A Barber** or **Cosmetology Operator** courses can become eligible for the written exam once 900 hours have been earned and reported.
- Students enrolled in **specialty courses (ex. Manicurist, Esthetician, Eyelash Extension, etc.)** must complete the course and be dropped in order to become eligible for the written exam.

Practical Eligibility Process

All students must complete the required program hours as outlined in **Rule 83.202**, have their enrollment dropped, and pass their written exam before practical eligibility can generate.

Helpful Tips for troubleshooting eligibility

- Once the needed hours are reported or the student is dropped from the course, please **allow 48-72 hours** for the eligibility to generate with the department *and* be received by PSI.
- Students or instructors can **check the current eligibility status** using our Exam Data Search.
- Make sure the student has an **email on file** so they can receive a notice of eligibility from PSI. This gives the student instructions on creating their PSI account and allows for faster updates regarding their exam.
- If you have any questions or concerns about your eligibility status, please submit an inquiry to our **Education and Examination Webform** so we may assist.
