Lawful Presence

Rule §60.39 - Verification of Applicant Eligibility

Federal law provides that a person who is **NOT a U.S. citizen** is not eligible for a professional or commercial license issued by a state, **unless** the person is:

- A qualified alien
- A nonimmigrant under the Immigration and Nationality Act
- An alien paroled into the United States for less than a year

Required Documents

Applicants who do not have a Social Security Number (SSN), are adding a SSN, or are correcting a SSN, must do the following:

- Complete the form **Social Security Number Status Certification** and
- Provide documentation verifying their eligibility, see list of acceptable documents on the **TDLR website**.

Existing Students

Students who previously submitted a licensing application without a SSN and were approved, may be required to **submit updated Lawful Presence documents** for review. You will receive notice from the department if this is applicable to you.

***Please note not everyone will be asked to provide additional documentation, and no action is needed unless TDLR contacts you with instructions.**

How does this affect my eligibility?

Prospective or Newly Enrolled Students

Upon enrollment, students who do not have a SSN must submit a **student permit application**, along with **SSN Status Certification** and **verifying documents**.

If SSN Status Certification *is not* received, the following will occur:

- Your school will be unable to print the student permit.
- Delays with exam eligibility and/or licensure.
